Ross Tilton, Program Administrator  
Richland PDT, A Joint Venture  
201 Arbor Lake Dr.  
Columbia, SC 29223

Thank you for taking the time to meet with me this morning. After considering the information you provided regarding the circumstances of this business, i.e., location of business, number of employees, and where business activity is conducted, I conclude that no Richland County business license has been needed in the past, and no Richland County business license is needed at this time.

If any of the business' circumstances change in the future, please be sure to let me know, as this may change the need for a County business license.

Again, thank you for your time and cooperation in reviewing your business, and if you have any questions in the future, please do not hesitate to let me know.

Sincerely,
